# Value added report

After nine years of successful development, the Vienna Coffee Festival 2024 is celebrating its 10th anniversary as an international event for the global coffee market in the city of Vienna.

The second week of September is all about coffee: the mix of roasters, producers, traders and baristas from the qualified national coffee scene as well as international representatives of the global coffee industry creates a unique atmosphere in the historic Marx Halle.

Tastings, workshops, competitions, presentations for home baristas as well as the Hospitialiy, the best live music and the Austrian Barista Championships of SCA Austria are among the annual highlights.
